

CENTI ASTRO-SPACE ACTIVITIES MINI-COURSE CAMPS -- 2012

*for Children ages 8 - 13 Parents invited at NO extra charge!
Field Trip to an Observatory, Planetarium or Science Museum*

The Brain in Space - Part 2.....2BSP - 12

Neurolab's 6 participating space agencies

Few experiences can compare with the excitement and thrill of watching a Shuttle launch. Part 2 of THE BRAIN IN SPACE mini-camp provides an opportunity to go one step further by conducting more experiments, based on Neurolab, that are relevant to the research conducted in space. Students will become Amateur Scientists as they do basic scientific investigations. The Brain in Space activities focus on specific effects of micro-gravity and other aspects of the space environment on the human body, the brain and nervous system. All of this leads to finding ways to make space flight safer and applying space technologies to solve scientific and medical problems on Earth. Several activities will include: Building a 3-D Space Maze, How Quick Are Your Responses?, How Long Can You Hold Your breath and many more.

Tuition: \$55.00 + \$3.00 Lab Fee.....Tuesdays: October 9, 16, 23, 30.....TBA.....5:30 - 8:00 PM

REGISTRATION DUE DATES

Due dates for Tuition for each Mini-Course Camp is listed on the Registration Form. Both the Registration Form and Tuition are due on these dates. This gives us time to purchase materials. Feel free to register for any of the mini-course camps throughout the year. ***If for some reason you can not meet these dates please call us and we will discuss alternate dates beyond the dates listed.***

WHAT HAPPENS IF ENROLLMENT IS LOW?

If enrollment is low the camp may be cancelled. Should this happen you will be notified before camp. A full refund of the tuition will be issued ***NOTE: Refunds could take up to 6 to 8 weeks to be issued with no exceptions!***

DROP - OFF / PICK - UP

An adult must escort the student to and from the classroom and sign the child in and out of each camp session. If the child will be arriving without an adult we need to know this and how they will arrive. ***As mentioned above parents are invited at no extra charge.***

GUIDELINES & STUDENT CONDUCT

Staff will supervise your child at all times. Students may not leave the camp classroom without permission. They must follow the directions of the instructor at all times. If any incidents occur our policy requires that disruptive students be asked to leave the camp. We will call a parent/guardian to pick up the child immediately. They may return for the next session, but if another incident occurs the student will be dismissed for the rest of the camp. ***In the event that this should happen be aware that there is no refund for any of the days the child is dismissed from the camp.***
